Ref: Consolidated Docket Nos. 2017-207-E, 2017-305-E, and 2017-370-E

Dear Mr. Butler:

I write as an intervenor in the above referenced dockets in support of the procedural schedule proposed today by the Office of Regulatory Staff (ORS).

My concern is that intervenors must be provided with adequate time for discovery and preparation of testimony. Unfortunately, SCE&G has been unwilling to respond to requests for relevant information. These dockets are of great importance to the people of South Carolina, and it is imperative that the Commission compel SCE&G to respond to the discovery requests of intervenors and provide the time allotted in the schedule proposed by ORS to develop testimony from that information.

Sincerely yours,

Lynn S. Teague
